## **TIME LAPSE VIDEOS AND PROGRESS REPORTS**

With TEKWave Solution's Time Lapse videos you can take a construction job and turn it into a stamp of approval. Our video cameras will be set-up on-site for remote view, recorded history, and progress report capabilities. You can live view a project any time, see past progress, or let our software do the analyzations for you. Time-lapse videos can also be used to condense months of work into an easy-to-view demonstration of your construction.
